TERMS OF PARTICIPATION

I acknowledge my understanding and agree that...

My UNIVERSOL account is an asset. I can participate in the UNIVERSOL gifting activity or turn it over to others as long as my conduct matches the Terms & Conditions as listed below:

1 – UNIVERSOL is a gifting activity and not an investment nor a

business activity. The speed of passage from one PLANET to another is neither guaranteed nor foreseen, but is related to the pace of participation of the other participants in the plans.

2 - The spirit and conduct of UNIVERSOL participants is to unite as a community creating abundance for all, raising all participants in good standing, to make and receive unconditional gifts, giving generously and receiving graciously.

3 - UNIVERSOL is not responsible for any aspect of the financial gift transaction between me and any other Participants. The financial form of each gift shall be agreed between me and the Target (recipient) when I am the Guest, and with the Guests when I am the Target. In addition to the value of the gift, the sender of the gift is always responsible for the transaction cost. The Target (receiver) is always responsible for receiving the transaction costs from you.

4 - My participation in UNIVERSOL will start with a GUEST position in a US\$5 position on the board and requires me to make an unconditional gift to the TARGET of that PLANET and register guests on the platform.

5 - When you position yourself on a PLANET, taking into account that the Participants are distributed in time zones around the world, I will initiate communication between myself and the TARGET (recipient of the gift) will have a period of 60 minutes after placement on a planet, to activate, and after 30 minutes the TARGET of the PLANET will be able to remove you, and after 60 minutes the system will remove you automatically, you can position again, and you may fall into another planet.

6 - When you progress and reach the TARGET position on any PLANET, I will confirm each gift received on the UNIVERSOL

platform, as soon as an acceptable transaction receipt is received or provided, (If you receive the donation and do not activate, the system may impose a punishment).

7 - The deadlines for communication and the terms and conditions of gift transactions are identical at each level in which I participate.

8 - Recognizing that life and external events can prevent immediate communication, GUESTS may be removed from a PLANET if they inform the TARGET that they cannot make their gift at that time OR if multiple attempts to communicate with them by email are unsuccessful, phone number, community channels and administrator contacting next of kin.

9 - To be qualified to evolve to the next PLANETS, it will be mandatory to have a direct and active indication, (a total of seven indications until reaching the eighth SUN PLANET). If you reach the TARGET position and don't have a nominee (guest), you will have to make this nomination, before receiving the fourth donation, if you do not buy this rule, you will be eliminated from the GALAXY.

10 - On all PLANETS when you receive the fourth donation, you will have 15 minutes to pay the maintenance fee and upgrade to the next PLANET, (if you do not comply with these rules, the system will take over your login, receiving the rest of the donations).

11 - Whenever you are in the TARGET position and receive the eighth donation, you will have 30 minutes to re-enter the ETERNAL PLANET, (if you do not comply with this rule, your login will be blocked on all PLANETS you are on, with the system taking it over).

12 - Our UNIVERSOL community does not allow users to make grooming within the community itself, if any user commits this act and it is proven with concrete evidence, the user will be blocked from the system.

13 - If the TARGET does not respond within 2 hours, the system will place them on the side line so that everyone can continue ascending, and they will be forced to start over. It is very important that as a TARGET you are fully engaged and available in the program.

14 - The system algorithm will move my positions OFF-PLANET (to a 'lateral' position) until there is 1 guest (to each PLANET) confirmed in good standing and donations have been made correctly and also confirmed by the system.
